

## English

Our story for this half term is "Ghadar the Ghoul", a story from Palestine about dreadful creatures called Ghouls (which are a bit like Trolls) who live at the top of mountains.

We will:

- Re-tell the story and innovate it
- Create fact-files
- Write biographies

**Computing** How do we use social media? We will explore how to use the internet to communicate with others.

## Year 3

# Seagulls and Pelicans

**With all of our wonderful research and newly discovered facts, we will produce a fun fact file about mountains and mountaineers to be read and shared with all.**

**Alongside our fabulous encyclopaedias, we will be presenting our 3D mountain models and explaining the forces that change the landscapes over time.**

## Maths

Year 3 will be Exploring numbers up to 1,000. We will order and compare numbers on a number line as well count in 50s!

How else can we represent numbers? We will use pictures to help us understand numbers further.

# How do landscapes change over time?

## PE

In Year 3, we will be practising a dance sequence! Get your groove on!

Also, we will improve our dribbling and shooting skills during outdoor basketball lessons. Good team player skills will be developed here, these are vital for any team sport. We will work together to be the best!

## Geography

We will be exploring the seven highest summits across the globe. We will investigate how they are formed, the varying climates and we will create our own 3D model to share what we have learned.

## Science

This term, we will explore the rock cycle in more detail and apply what we know to understand further How mountains change over time.

## Art/Design Technology

We will design mountaineering gadget packaging.

In order to do this we will:

- Investigate/examine mountaineering gadgets and the way in which they are packaged
- Produce clear labelled designs for our own mountaineering gadget packaging.
- Test our designs, review and improve them make a final gadget package
- Evaluate our final packaging against our original designs.

## PSHCE

One of our 3 R's is respect. We will discover the diversity around the world and celebrate the differences we share as well as the similarities.

## Spanish

Hola! This term, we will begin our Spanish lessons with some basic greetings building up to simple conversations. Experts in the group will take a leadership role!
