

Year 3 Writing Tracker

These checklists link to the National Curriculum.

They are split into:

- Working Towards the Expected Standard
- Working at the Expected Standard
- Working at Greater Depth Within the Expected Standard

All of the statements are progressive within and across the year groups, and work on the expectation that the majority of pupils will be working on their own year group's aims.

It is important to reiterate that there are no DfE-published exemplification assessment documents available for Years 1, 3, 4 and 5, and therefore these writing trackers should only be used as a guide for referencing the attainment of pupils within these year groups.

Teachers may feel the need to revisit expectations from earlier years to consolidate knowledge and build on pupils' understanding, or go beyond the aims set out here if they feel it is appropriate for their highest-attaining students.

How to Use the Checklists

The grids can be used to track the attainment of individual pupils or alternatively, could be used to highlight the progress of groups of students who are focusing on the same development areas or writing targets.

They allow teachers to make 'best fit' judgements by ticking and dating relevant criteria as a child/ group progresses throughout a term or school year.

The statements with the checklists are set out in colour-coded boxes: **pink** for composition; **green** for grammar and punctuation and **blue** for transcription.
